What makes an activist? What makes one person speak out against injustice while another will be content to get angry at the TV news? **Breaking the Boundaries** looks for answers in the stories of 46 Australians, young and old, fighting to be heard in a range of areas including human rights, gender issues, and the environment.

If you cannot attend the launch of **Breaking the Boundaries** but would like to order the book, you may do so by returning the completed form below or by visiting [www.wakefieldpress.com.au](http://www.wakefieldpress.com.au).
