

7 July 2013

To highlight the need for improved public transport in Hobart beyond Glenorchy, please join me on an “Express” bus from Bridgewater to Hobart on Thursday 25 July:

**Route: Metro X1      Depart Bridgewater: 7:48am      Arrive Hobart: 8:49am      Fare: \$4.00**

We’ll meet the 7.48 X1 “Hobart City Express” at the Bridgewater Bus Stop in Gunn Street, near Nielsen Esplanade. Don’t miss the bus as its 30 minutes to the next one! I’ll promote the departure place/time and the arrival place/time to media closer to the date.

Throughout the journey we can monitor where the train could/would have been.

A modern electric rail service could easily accomplish the same journey in under 30 minutes.

In 1973 “vintage trains” accomplished the same journey in 38 minutes with more stops.

If people have a convenient alternative they will leave their car at home, or at the train station!

Please let me know if you’ll be joining me,

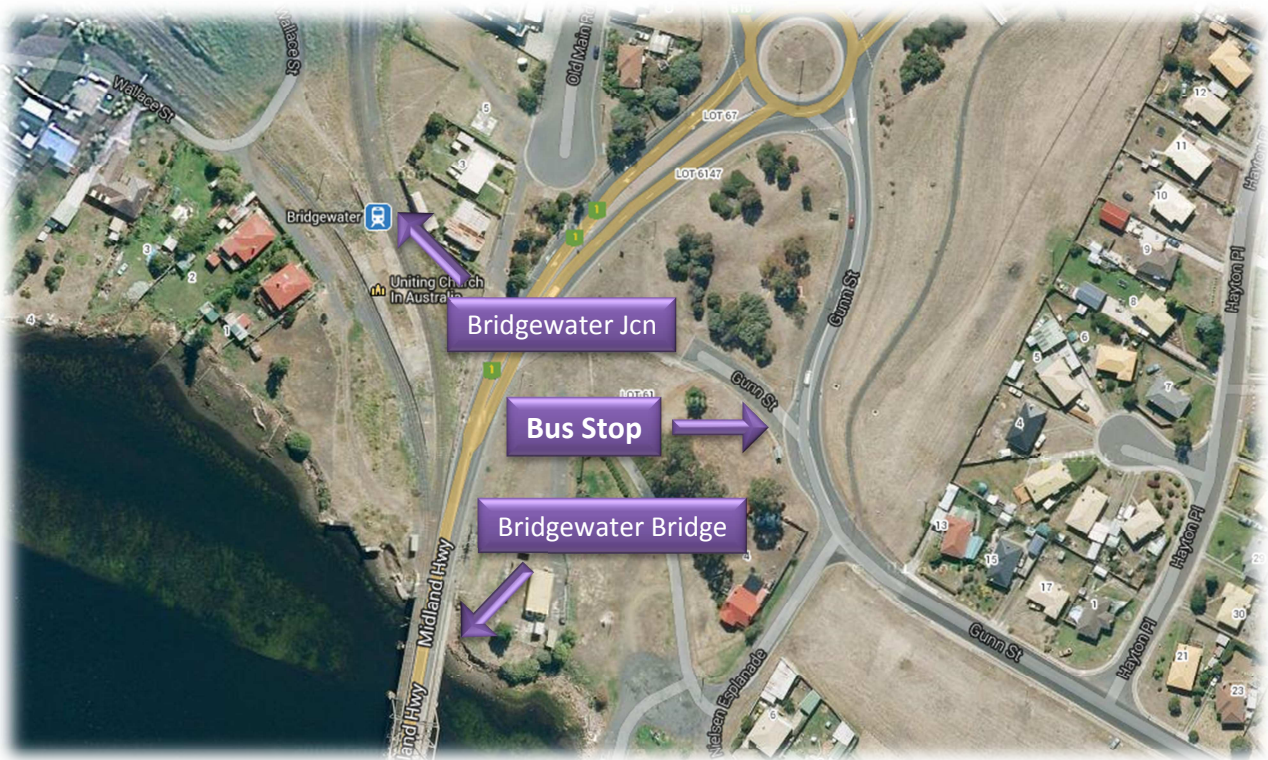

Ben Johnston

President, Hobart Northern Suburbs Rail Action Group
