

A FAIR GO FOR TASSIE WORKERS

RALLY
14 AUG @ 1PM
PARLIAMENT HOUSE
GARDENS, HOBART

FACT

Parliament Square

The Parliament Square project will bring in mainland plasterers and overseas glass to Tasmania. All work can be done by locals.

FACT

Spirit of Tasmania

Our own Spirit of Tasmania is employing a high number of overseas workers for the refurbishments – excluding locals from jobs.

FACT

Alexander Spirit

An Australian crew was sacked and replaced by overseas workers on the Alexander Spirit.

We call on the Tasmanian Government to introduce laws to ensure a percentage of all content and jobs on major projects are Tasmanian.

Rally 14 August @ 1pm
Parliament House Gardens, Hobart
Speakers include Federal MP Andrew Wilkie

SAY NO TO EXPLOITATION!
SAY YES TO LOCAL JOBS!
UNITE & FIGHT BACK

AND IT
DOESN'T
STOP THERE...

THE ABBOTT GOVERNMENT HAS SIGNED THE CHINA FTA WHICH PUTS TASSIE JOBS AT RISK.

FACT

Chinese companies who invest \$150 million or more will be able to **bring their own workforces to Australia** without having to offer jobs to Australian citizens and residents first.

FACT

Chinese companies will be able to bring in Chinese-produced products with **no safeguards** to ensure that they meet Australian standards.

FACT

Chinese companies do not have to meet the same labour and environment standards as Australian companies – **undercutting our jobs and conditions.**

Take action to **stop the China FTA**
