We would also encourage individuals and/or businesses to sponsor specific classes this year and in future years giving you naming rights to that particular class or prize. Anonymous donations will also be gratefully accepted.

Sponsorship, for example, for the Best Vase of Daffodils would appear in the Show Schedule as

“THE JOHN SMITH ELECTRICAL”  
BEST VASE OF DAFFODILS  
1ST prize \$100

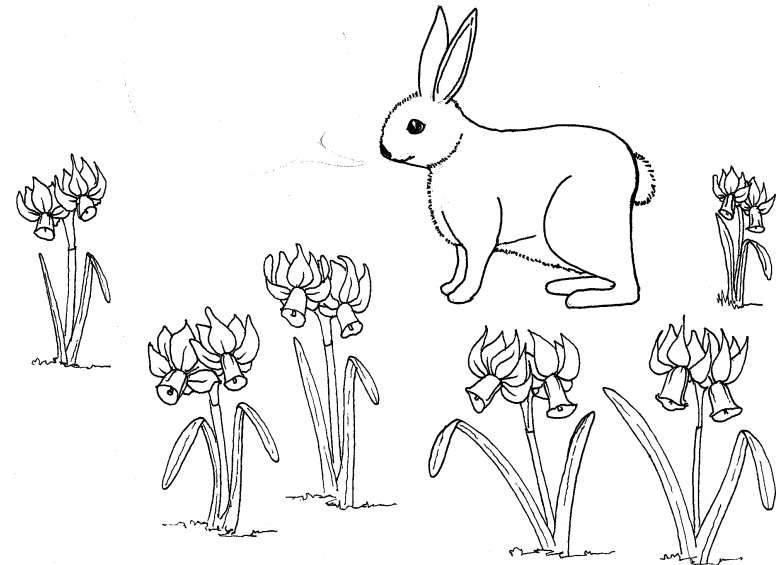

Or sponsorship of an entire class

# All Saints Daffodil, Art & Photography Show 2013

We are offering advertising space in next year's Show Schedule to businesses who might like to support this community-minded venture.

Many people frequent the All Saints Market, drop into The Jesse Tree (our parish shop), pop into the Quiet Gardens behind the church to sit and contemplate or just visit the church during the day for a quiet moment .

Last year's inaugural show was a great success with members of the community pouring in over the two day event, many returning several times. In last year's schedule only one notice appeared. This was in acknowledgement of Signfast's much appreciated help with our signage.

Next year we would like to offer you the opportunity to support the show by buying advertising space and/or sponsoring a specific prize.

Advertising space is available in the 2013 Schedule at the following rates.

Full page (19cm) - \$80.00

Half page (8.5cm) - \$50.00

Or

\$8 per cm

Corporate Logos can be incorporated into the advertisement

We are also seeking a **major sponsor** for the show. Potential benefits offered include appearance of business logo on all literature and signage, prominent product placement opportunity for your business and sponsorship acknowledgement.

## Welcome back to the All Saints Daffodil, Art & Photography Show

Yes the name has changed slightly but you can still expect the same quality, style and fun that made our first show so popular.

Our second show will feature several new competitive classes involving Heritage/Classic daffodils. Heritage daffodils are attracting massive interest in daffodil shows overseas. Not only are they particularly beautiful but they represent milestones in the gradual development of the 'exhibition' daffodil over the course of the last century or so.

We would love you to bring along any heritage daffodils that you have in your gardens and our resident experts will try to identify them for you. A list of official classic/heritage cultivars is available on the ADS (American Daffodil Society) website ([www.ADS.com](http://www.ADS.com))

We have included a photography section in the Community Classes and with luck will be blessed with some excellent daffodil photos to display at future shows. Class 11 (Best Daffodil Original Art Work) has been expanded to cover art work of **any medium**. Hopefully we will see some beautiful and exciting work.

There will be a People's Choice award this year. You are invited and encouraged to note your favourite entry and you may win a selection of exhibition daffodils for participating and the exhibitor will also win a prize.

Our vase theme this year is "retro-glassware and early bakelite/plastics". So search through your cupboards and see what you can come up with!

For those of you that are new to daffodil shows the "seedling" classes are new flowers bred by growers by pollinating one flower with the pollen of another. The bulb may have taken five years or so to grow from seed to flowering-size bulb. I have had some snap shots enlarged to show how seed is obtained from flowers.

Along side the Daffodil Exhibit there will be entertainment and refreshments in the grounds. We welcome back Ethereal, celtic harpists,

and look forward to hearing The Old Time String Band. Morning and afternoon tea will be available along with a BBQ in the middle of the day. Recitals will also be held in the church over the weekend.

A display of stained glass will be in the church. Gavin, our stained glass expert, and Duncan, our stonemason, will be leading tours around the grounds and church. These tours are not to be missed and should be booked in advance.

More information about the events over the weekend can be found on the "What's Happening at All Saints Daffodil Show" leaflet.

So come along and have a cuppa or a glass of wine while you enjoy the flowers and music.

Again, welcome. Enjoy the grounds of All Saints and all the exhibits.

Owen Davies

## MANY THANKS TO ALL INVOLVED IN ALL SAINTS DAFFODIL SHOW

If you are interested in growing some miniature daffodils for future shows send away snail-mail to Mr Rod Barwick of Glenbrook Bulb Farm 28 Russell Rd, Claremont 7011 TAS. Rod is a genius with plants. He has imported all sorts of amazing bulbs, corms, rhizomes and tubers from around the world over the last 40 or so years and is a walking encyclopaedia on all -things daffodil. Rod is also an amazing artist and has again this year drawn the fantastic line-drawings for people at our show to colour-in.

THANK YOU GLENBROOK!

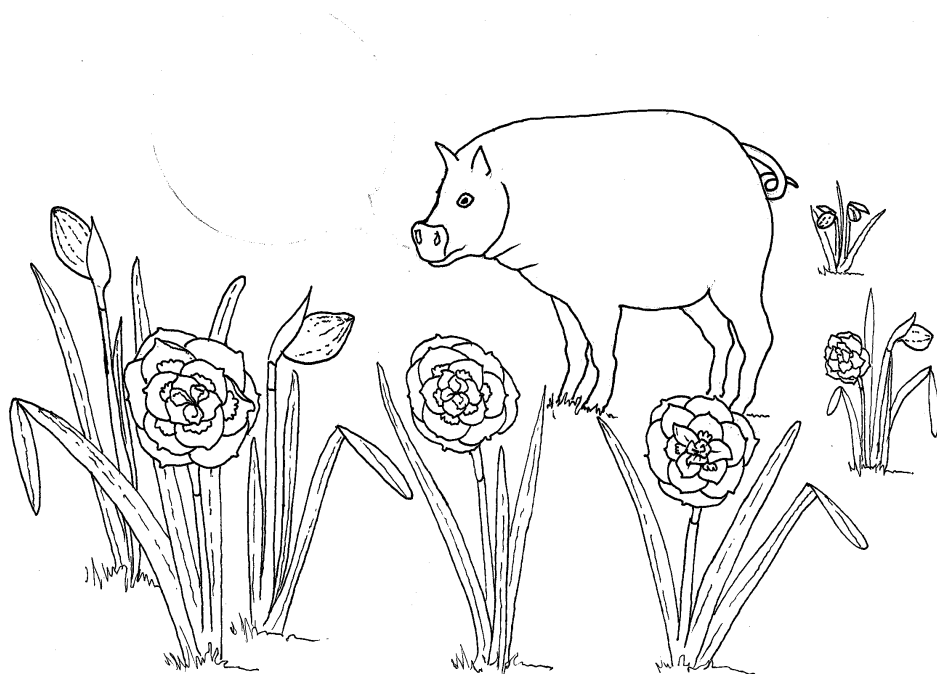

Thank you to **Meredith's Orchard, Margate** for again saving me the 200 or so broccoli boxes required for the show staging and finally thank you to all the volunteers and exhibitors for supporting Tasmanias newest daffodil show.

Thanks also to **Signfast** for helping us with our fabulous sign.

If you are a plant grower/supplier and would like to reserve a stall in advance for the Garden Market to be held at the show in 2013 contact Yvonne on 0417 370819.

Thank you for attending the **2nd Annual All Saints Daffodil, Art & Photography Show**. We hope you enjoyed it and would love to see you again in 2013.

*The theme for next years show: Teapots & Coffee pots*
