

# Fundraising Dinner

## For a charitable clinic in rural India

## *Scrumptious Vegetarian & Vegan Fare*

Support this fantastic holistic medical clinic which serves the poorest of the poor in rural Jharkhand (near Bihar). Besides offering free multi-therapy treatments and a rehabilitation program for handicapped children, the project educates the villagers about nutrition, water hygiene and primary health care. Come to see and hear more and about how you can get involved.

Please note: Parking on the street, rather than on the community site, and please leave room for the Metrobus to get through. Thanks.

**When:**

Saturday, October 4th,  
6:30 - 9:00 PM
