

FUTURE

In the future I hope to see a community that is vibrant, productive, successful and full of life.

The only way that we can achieve that is if we work together to make our home the place that we want it to be.

To help me help you I ask that you:

PROFILE

My Family

As a 26 year old with a wife and one child I value the importance families play in our community. I think time spent with family and friends is part of a healthy life.

My Work

I currently work at an insurance brokers dealing with marketing, human resources and special projects. I also work as a funeral celebrant when needed and volunteer at the Launceston City Mission.

My Study

Previously I have studied business, chaplaincy and agriculture but am now completing a Graduate Certificate of Business through UTAS.

My Interests

I love playing guitar and piano, helping people, reading, playing sports, home renovating and Spending time with family.

COMMUNITY

I care about our community.

I'm passionate about our home becoming a vibrant, caring and great place to live. I will work towards:

- Low rates increases
- A united action-focused council
- Improved employment opportunities
- Sustainable business environments
- Increased Community safety
- More community events

A young and fresh vision

I care about your family's future
