

SUSTAINABILITY * FORUM * ALERT

Saturday 27 February 2010

A follow-up to the 2009 “TAMAR Region: Creating a Sustainable Future” forum is being held for all groups and individuals who are involved in preparing

Community actions towards a SUSTAINABLE TAMAR REGION

You are invited to help design new ways for the community to collaborate on advancing sustainable enterprise, lifestyles and resource management, from everyday domestic practices to large-scale regional strategies

Recent Community Working Group Reports on
Transport * Community Education * Role of Government * Energy * Water, Waste and Land Use
will be presented for feedback prior to a forum discussion to determine future actions
