

The Other Talk Forum for Parents

PRESENTER: GEOFF MUNRO

At some point we have all sat down with our parents for 'the talk'. It's not always easy, but learning about sex is an important conversation that every parent and child should have. **The Other Talk** is about Australian families talking openly about alcohol and other drugs.

Many parents fear **The Other Talk** because it may raise questions that they feel ill-equipped to answer or explain appropriately.

The Australian Drug Foundation has worked closely with parent groups to compile all the information you need to have **The Other Talk** with your child.

Come along to this forum to hear Australian Drug Foundation National Policy Manager Geoff Munro discuss how to talk to your children about alcohol and other drugs and protect them from associated harms.

Your questions and discussion are welcome.

Date: Wednesday 23 October, 2013

Time: 7pm to 8.30pm

Venue: Tasmanian Hockey Centre, Function Centre,
19 Bell Street, New Town TAS

RSVP: to Mark Nash at mark.nash@adf.org.au
or 0430 444 184

Geoff Munro is the National Policy Manager at the Australian Drug Foundation. He has worked in the alcohol and other drug field for over 25 years specialising in drug training, drug prevention and community development. He is a co-editor of *Drug Education in Schools: Searching for the silver bullet* and is an author of a chapter in the latest edition of *Drug Use in Australian Society*.

The mission of the Australian Drug Foundation is Working together to prevent alcohol and other drug problems in Communities. This Forum is brought to you by the Australian Drug Foundation's Good Sports Program, working with community sporting clubs across Tasmania to reduce risky drinking.

Theothertalk.org.au

The Australian Drug Foundation's Good Sports program has been working with community sports clubs for over a decade to reduce the harm associated with excessive alcohol use by club members and fans. Nationally more than 6000 sporting clubs are enrolled in the program, with many reporting positive impacts as a consequence.
