

# **ATTENTION HAWTHORN FOOTBALL CLUB SUPPORTERS**

**OUR CHILDREN**

**NEED YOUR HELP**

*Over 1700 children reported by the community as being at risk have not had their cases investigated due to a lack of resources in our Child Protection system.*

*Despite releasing 4 reports detailing the total breakdown in the system the State Government has indicated it doesn't have enough funds to provide adequate staff to ensure all these children are looked after.*

*But this same Tasmanian Government will be sponsoring the Hawthorn Football Club for \$15 million dollars over the next three years.*

*So... we're asking Hawthorn and sponsors of the Hawthorn Football Club to return the favour by sponsoring one of our needy children.*

*For less than the cost of club membership  
you can change the life of a child who's been reported at risk.  
If Governments can't get their priorities right we might have to do it for them.*

**TO HELP, SEND A CHEQUE TO THE TASMANIAN  
TREASURER MICHAEL AIRD WITH  
'FOR TASSIE'S CHILDREN' WRITTEN ON THE BACK**
