Social Justice Political Forum

In the lead up to the Federal Election on July 2, this event provides Hobart residents with the opportunity to attend a panel style forum and hear our politicians' views on their party's Social Justice policies before the election. This includes: people seeking asylum, detention centres, housing, emergency relief and international aid. We will hold a Q & A session, enabling you to ask your questions.

Panellists confirmed:

Senator Nick McKim (*Greens*)

Mr Andrew Wilkie MP (*Independent Member for Denison*)

Senator Lisa Singh (*ALP*)

All major parties have been invited.

Question cards will be provided on the night. Feel free to bring a pre-prepared question with you – to be asked by the moderator.
